TEEP/AsiaPlus - Taiwan Experience Education Programs for 500 International Talents

An increasing number of universities and colleges in Taiwan require 500 international students to apply to a specialized professional internship program for 500 international talents to experience Taiwan’s quality higher education and cultural environment in a short-term competition with the Asia Job Market. TEEP will provide in Taiwan an attractive platform for registration for about 80 institutions, including 30 universities, 20 professional schools, 10 public universities, 10 private universities, 5 institutions in Taiwan and 5 from 20 international institutions. For more information, please visit the TEEP official website: www.teep.tw or www.teep.asiaplus.org.tw
